GARGACH Newsletter

June 2013

One more school year has been accomplished successfully. My blessings and my gratefulness are given to my 2nd family, the school's teachers and staff.

My sincere love is given to my "Guardian Angels", the school's PSC, who is always there, performing constant miracles. We wouldn't survive without you. Thank you!

My words of appreciation are given to the "School Board" for their tireless caring and accomplishments.

I appreciate the time that our Father Khoren Baboshian has dedicated to the children during his visits.

I would like to mention that with our hard work, education and experience, we have achieved and maintained both our school's high quality as well as the NAEYC accreditation. As you know, we are the only Armenian school in Pasadena and the only Kindergarten among all Prelacy Kindergartens to be so highly recognized and awarded.

Here at Tavlian we work hard to enrich the lives of all our students. We have placed emphasis on intellectual, emotional, social, artistic, musical and physical development for our learners. We are proud to say that at Tavlian we have promoted the joy of learning.

Have a safe summer!!
